Component Mission

The National Counterterrorism Center (NCTC) leads our nation's effort to combat terrorism at home and abroad by analyzing the threat, sharing that information with our partners, and integrating all instruments of national power to ensure unity of effort. The Center serves as the primary organization in the United States Government (USG) for analyzing and integrating all intelligence possessed or acquired by the USG pertaining to terrorism and counterterrorism, and its Director serves as the Counterterrorism Mission Manager. NCTC also serves as the central and shared knowledge bank on known and suspected terrorists and international terrorist groups, as well as their goals, strategies, capabilities, and networks of contacts and support. In addition, NCTC conducts strategic operational planning for counterterrorism activities, coordinating and integrating the efforts of departments and agencies across the Federal Government.

Major Duties and Responsibilities (MDRs)

This position is part of the Directorate of Identity Intelligence (DII) Team. This position will be responsible for populating the Terrorist Identities Datamart Environment (TIDE), the U.S. Government's (USG) central and shared repository of international terrorist identities information. They work with data from across the Intelligence Community, Federal Bureau of Investigation and other sources. The group then furnishes the FBI's Threat Screening Center (TSC) with international terrorist identity information for inclusion in the USG's consolidated terrorist Watchlist, the Terrorist Screening Database. Duties include:

- Coordinate and contribute to the review of terrorist nominations from various sources, including the Intelligence Community (IC), Department of Homeland Security, Department of State, Department of Defense, and the Federal Bureau of Investigation, and perform analysis to determine if the nominations meet the threshold to create or enhance records in the Terrorist Identities Datamart Environment (TIDE), the United States' (US) central and shared knowledge bank on known or suspected international terrorist identities.
- Plan and participate in the tracking, identification, entering, and management of identity information on known or suspected terrorists (KSTs) in the TIDE system, and provide guidance in the nomination of identities as terrorist threats, in accordance with IC-approved thresholds, analytic procedures, and data rules.

- Plan and analyze all-source reporting to identify and manage identity information on known or suspected terrorists and respond to senior level requests for information on identities in daily threat reporting. Plan and assess all-source reporting to identify identity gaps and determine the identity data required to nominate a terrorist-associated individual for US Government (USG) screening opportunities.
- Plan, identify, and develop strategies to overcome identified gaps and increase efficiencies in data collection or processes. Cultivate and facilitate collaborate with counterparts in other agencies to support the integration of IC-wide terrorism analysis capabilities throughout the USG.
- Extensive knowledge of terrorist identities analysis, compilation, and dissemination, coupled with extensive knowledge of associated databases and watchlisting processes. Extensive knowledge of IC organizations, policies, and procedures, and their requirements with regard to terrorist identities intelligence research and analysis.
- Extensive knowledge of the mission, charter, roles, and responsibilities of the ODNI, IC, and USG agencies, and how these organizations can effectively integrate their terrorist identities analysis capabilities.

Mandatory and Educational Requirements

- Demonstrated ability to communicate clearly, both orally and in writing.
- Demonstrated ability to research and logically analyze, synthesize, and judge information, as well as the ability to review and incorporate multiple sources of information in performing assignments.
- Demonstrated ability to develop effective professional and interpersonal relationships with peers and colleagues in ODNI, the IC, and USG, and to earn their confidence and trust.
- Demonstrated interpersonal, organizational, and problem-solving skills, including an ability to work effectively at a senior level within an interagency environment on complex issues requiring negotiation and consensus-building.
- Demonstrated ability to work under pressure with strict deadlines while maintaining a high level of attention to detail.
- Experience, or ability to acquire skills necessary, to use link analysis, geographic information systems, Spotfire, TIDE and various intelligence tools to develop innovative data visualization products and socialize the meaning of the related data.
